

INTERNATIONAL SEARCH REPORT

International Application No
PCT/EP2004/009560

A. CLASSIFICATION OF SUBJECT MATTER
IPC 7 A23D7/005 A23C9/15

A23D7/02 A23C13/14

According to International Patent Classification (IPC) or to both national classification and IPC

B. FIELDS SEARCHED

Minimum documentation searched (classification system followed by classification symbols)
IPC 7 A23D A23C

Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched

Electronic data base consulted during the international search (name of data base and, where practical, search terms used)

EPO-Internal, WPI Data, PAJ

C. DOCUMENTS CONSIDERED TO BE RELEVANT

Category *	Citation of document, with indication, where appropriate, of the relevant passages	Relevant to claim No.
X	EP 0 603 981 A (VER COOP MELKIND) 29 June 1994 (1994-06-29) cited in the application page 2, line 56 – page 3, line 50; claim 1; example 1; table 4	1-6,9-11
Y	----- EP 1 201 134 A (KRAFT FOODS HOLDINGS INC) 2 May 2002 (2002-05-02) cited in the application page 3, line 1 – line 15; claims 1,2,9; figure 1 page 3, line 55 – line 58	7,8
X	----- EP 0 560 429 A (UNILEVER PLC ; UNILEVER NV (NL)) 15 September 1993 (1993-09-15) claims 1,4,5,7	1-6,9-11
Y	----- EP 0 560 429 A (UNILEVER PLC ; UNILEVER NV (NL)) 15 September 1993 (1993-09-15) claims 1,4,5,7	7,8
	----- -/-	

Further documents are listed in the continuation of box C.

Patent family members are listed in annex.

* Special categories of cited documents :

- *A*—document defining the general state of the art which is not considered to be of particular relevance
- *E*—earlier document but published on or after the international filing date
- *U*—document which may throw doubts on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)
- *O*—document referring to an oral disclosure, use, exhibition or other means
- *P*—document published prior to the international filing date but later than the priority date claimed

- *T*—later document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention
- *X*—document of particular relevance; the claimed invention cannot be considered novel or cannot be considered to involve an inventive step when the document is taken alone
- *W*—document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combined with one or more other such documents, such combination being obvious to a person skilled in the art.
- *D*—document member of the same patent family

Date of the actual completion of the international search

INTERNATIONAL PRELIMINARY REPORT ON PATENTABILITY

International application No.
PCT/EP2004/009560

Box No. I Basis of the report

1. With regard to the **language**, this report is based on the international application in the language in which it was filed, unless otherwise indicated under this item.
 - This report is based on translations from the original language into the following language, which is the language of a translation furnished for the purposes of:
 - international search (under Rules 12.3 and 23.1(b))
 - publication of the international application (under Rule 12.4)
 - international preliminary examination (under Rules 55.2 and/or 55.3)
2. With regard to the **elements*** of the international application, this report is based on (*replacement sheets which have been furnished to the receiving Office in response to an invitation under Article 14 are referred to in this report as "originally filed" and are not annexed to this report*):

Description, Pages

1-20 as originally filed

Claims, Numbers

1-11 as originally filed

a sequence listing and/or any related table(s) - see Supplemental Box Relating to Sequence Listing

3. The amendments have resulted in the cancellation of:

- the description, pages
- the claims, Nos.
- the drawings, sheets/figs
- the sequence listing (*specify*):
- any table(s) related to sequence listing (*specify*):

4. This report has been established as if (some of) the amendments annexed to this report and listed below had not been made, since they have been considered to go beyond the disclosure as filed, as indicated in the Supplemental Box (Rule 70.2(c)).

- the description, pages
- the claims, Nos.
- the drawings, sheets/figs
- the sequence listing (*specify*):
- any table(s) related to sequence listing (*specify*):

* If item 4 applies, some or all of these sheets may be marked "superseded."

**INTERNATIONAL PRELIMINARY REPORT
ON PATENTABILITY**

International application No.
PCT/EP2004/009560

Box No. V Reasoned statement under Article 35(2) with regard to novelty, inventive step or industrial applicability; citations and explanations supporting such statement

1. Statement

Novelty (N)	Yes:	Claims	7,8
	No:	Claims	1-6,9-11
Inventive step (IS)	Yes:	Claims	
	No:	Claims	1-11
Industrial applicability (IA)	Yes:	Claims	1-11
	No:	Claims	

2. Citations and explanations (Rule 70.7):

see separate sheet

**INTERNATIONAL PRELIMINARY
REPORT ON PATENTABILITY
(SEPARATE SHEET)**

International application No.

PCT/EP2004/009560

Re Item V.

1. The following documents are referred to in this communication:

D1: EP-A-0 603 981 (VER COOP MELKIND) 29 June 1994 (1994-06-29)
D2: EP-A-1 201 134 (KRAFT FOODS HOLDINGS INC) 2 May 2002 (2002-05-02)
D3: EP-A-0 560 429 (UNILEVER PLC ; UNILEVER NV (NL)) 15 September 1993 (1993-09-15)
D4: DE 39 07 676 A (KRAFT EUROPE R & D INC) 22 November 1990 (1990-11-22)
D5: WO 97/08956 A (UNILEVER PLC ;UNILEVER NV (NL)) 13 March 1997 (1997-03-13)
D6: WO 03/043430 A (FOSTER TIMOTHY JOHN ;LUNDIN LEIF ORJAN (GB); UNILEVER PLC (GB); LE) 30 May 2003 (2003-05-30)

2. The present application does not meet the criteria of Article 33(1) PCT, because the subject-matter of claims 1-6, 9-11 is not new in the sense of Article 33(2) PCT.
 - 2.1 First, it is pointed out that the expression "partly crystalline" used in claims 1-11 is vague (Art. 6 PCT) and extends the scope of said claims in an unclear way. Any fat (e.g. milk fat) can have a "partly crystalline" state at a temperature below 60°C. Thus, the feature "partly crystalline" is not a limiting product feature and is therefore not taken into consideration for assessing novelty and inventive step.
 - 2.2 D1 (page 2, lines 56 - page 3, line 50; claim 1; example 1; table 4) and D2 (page 3, lines 1-15; claims 1,2,9; figure 1, page 3, lines 55-58) anticipate the subject-matter of claims 1-6, 9-11 on file. Moreover, the SFC profile of butter corresponds to the values as described on page 6, paragraph 3 of the description. Vegetable fats or mixtures of vegetable fats are also described in D1 and D2.
 - 2.3 The process of claim 1 does not imply distinguishing product features on the product (see also the PCT Guidelines A5.26). Therefore, D4-D6 also anticipate the subject-matter of claim 10.
3. The present application does not meet the criteria of Article 33(1) PCT, because

**INTERNATIONAL PRELIMINARY
REPORT ON PATENTABILITY
(SEPARATE SHEET)**

International application No.

PCT/EP2004/009560

the subject-matter of claims 7,8 does not involve an inventive step in the sense of Article 33(3) PCT.

3.1 The objective technical problem underlying the subject-matter of claims 7 and 8 is an alternative fat blend for preparing water continuous acidified emulsions.

3.2 D1 and D2 describe compositions according to claim 1 on file and teach that any vegetable fat blend can be successfully incorporated in the water continuous acidified emulsions.

Incorporating fat blends according to claims 7 and 8 in water-continuous emulsions is known, see, e.g. D3 (claims 1,4,5,7).

The features of claims 7 and 8 are merely a listing of several straightforward possibilities (hardened palm kernel oil, hardened coconut oil) from which the skilled person would select, in accordance with circumstances, without the exercise of inventive skill.

4. The applicant is also requested to deal with the following objections:

4.1 Contrary to the requirements of Rule 5.1(a)(ii) PCT, the relevant background art disclosed in the document D3 is not mentioned in the description, nor is this document identified therein.

4.2 The abbreviations in claim 7 should be fully explained in the claim (Art. 6 PCT).

4.3 The category of claim 11 (product or process) is unclear (Art. 6 PCT)
